Good morning 5.1.2.e

As you may have seen in the news already, I wanted to let you know that Monday evening we announced that the Special Annual Meeting 2021 will be held in Singapore from 13-16 May.

After careful consideration, and in light of the current situation with regards to COVID-19 cases, it was decided that Singapore was best placed to hold the meeting. It will return to Davos-Klosters, Switzerland, for the Annual Meeting 2022.

Best,

Dear 5.1.2.e

Following our press release on the postponement of our Annual Meeting 2021, I pleased to share a new invitation for the Prime Minister. The Annual Meeting will now take place from 18-21 May in Lucerne-Bürgenstock.

Since we are still some ways away from May and the global health situation is still fluctuating, we are of course preparing for multiple scenarios allowing for physical and virtual forms of participation. I will keep you updated as we get closer to the date, and we hope for the Prime Minister's participation.

Best,

Subject: Invitation for Prime Minister Mark Rutte to the Annual Meeting 2021; 26-29 January

Dear 5.1.2.e I hope all is well! I can imagine it must have been a very intensive week for the team with the European Council this week.

We were pleased to hear from our friends at the Dutch Permanent Mission in Geneva on the suggestion of a dinner between the Prime Minister, Minister Kaag, and Professor Schwab in Geneva this coming November. Professor Schwab very much looks forward to it.

I am pleased to share with you the invitation to Prime Minister Rutte to participate in the **Annual Meeting 2021**, taking place **26-29 January** in Davos under the theme of the Great Reset. The meeting will be held as a unique hybrid summit, allowing for both physical and virtual forms of participation. We do anticipate a much more intimate setting in Davos of only the top global leaders from business and government, but will continue to monitor the situation globally as well as locally to ensure a safe and impactful experience for everyone. We of course very much hope for the physical presence of the Prime Minister in Davos.

I look forward to working with you and the team again in the coming months to build the Prime Minister's agenda, and hope for an early indication so that we can jointly build an impactful programme. At your disposal for any questions.

Best,

Dear 5.1.2.e

just to give you a heads up about the new data; due to cabinet budget meetings in the same week it is very well possible the prime minister will not be able to attend.

Kind regards,
